

TIMELY RESPONSE TO NEED OF THE HOUR...COVID VACCINE AT GDGPSVK.

The school management has extended a very positive and timely initiative for the entire GD Goenka Group in the form of providing the Covid vaccine at the school premises.

This vaccination drive will take place on 26th of March 2021, from 10:30 am till 4:30 pm at the school infirmary.

All Staff can avail of this health care intervention along with their family members who are in the category of 45 plus age onwards and having morbidities.

Transportation facilities have also been provided.

As always, the Goenkan educators have taken a lead in caring for the faculty and support staff by making arrangements at such a crucial time for this urgent medical process.
