We are looking for a passionate and dedicated TGT Science teacher to join our academic team. The candidate will be responsible for delivering high-quality science education to students of Classes 6–10, fostering curiosity, critical thinking, and a love for learning.

Key Responsibilities:

- Plan, prepare, and deliver engaging Science lessons in accordance with the school curriculum.
- Encourage scientific inquiry and experimentation in the classroom.
- Monitor, assess, and track student progress and provide constructive feedback.
- Maintain a positive and disciplined classroom environment.
- Organize science-related activities, projects, and competitions.
- Collaborate with fellow teachers to develop interdisciplinary learning experiences.
- Participate in school events, parent-teacher meetings, and professional development programs.

Qualifications & Experience:

- Educational Qualification: B.Sc/B.Ed in Science or equivalent; M.Sc is a plus.
- Experience: Minimum 2–5 years of teaching experience as a TGT Science in CBSE/ICSE schools.
- Strong command over the subject and excellent communication skills.
- Ability to use innovative teaching methods and digital tools in classroom teaching.

Key Competencies:

- Passion for teaching and mentoring students
- Strong subject knowledge and continuous learning attitude
- Team player with excellent interpersonal skills
- Ability to inspire and motivate students
