

Activity Teacher

The Activity Teacher is responsible for conducting co-curricular programmes in the assigned activity area and facilitating student participation in structured training sessions and school events.

Key Responsibilities

1. The minimum requirement is a Graduate/Diploma in the relevant activity area with 2–5 years of experience.
2. Plan and conduct sessions in the assigned co-curricular domain such as dance, music, yoga, theatre, or clubs.
3. Encourage active student involvement and identify areas of interest and aptitude.
4. Prepare students for school events, inter-school programmes, and performances.
5. Monitor participation and maintain records related to activity engagement where required.
