

## **PRT – English**

The PRT – English position involves teaching English to young students in accordance with the prescribed curriculum and academic standards.

### **Key Responsibilities**

1. The job seeker should hold a Graduate degree in English with B.Ed and 2–5 years of relevant teaching experience.
2. Deliver primary-level students with structured lessons in reading, writing, grammar, and verbal communication to build strong foundational language skills in primary-grade students.
3. Promote language development through the use of stories, guided discussions, and planned classroom activities designed to enhance comprehension and expression.
4. Evaluate student performance through regular assessments and maintain accurate academic records in line with school requirements.
